# A LETTER FROM OUR CHAIRMAN

## DEAR FRIENDS,

As we emerge from yet another unpredictable year, we reflect on the impact Cancer Support Community Greater Cincinnati-Northern Kentucky and its supporters accomplished on behalf of local cancer patients, survivors and their loved ones.

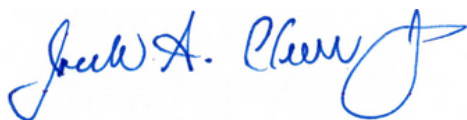

As CSC reopened its physical doors in July, we proudly created a safe and critically needed space. The continued isolation and fear many felt throughout 2021 simply reinforced that the need for our support continues to grow.

### A few highlights from areas of our strategic focus:

- Increased group support attendance by 3% via nearly 20 different support & networking groups
- Awareness, program delivery & participation in Northern Kentucky continues to grow, nearly doubling from last year
- Introduced high quality hybrid programming & relaunched in-person programming in Eastgate
- Continued commitment to grow CSC presence & impact in diverse communities
- Our social enterprise, Legacies Upscale Resale in Hyde Park, contributed \$150,000 of proceeds to fund our mission

**We believe that community is stronger than cancer.** The impact we have on the lives of those affected by cancer is only as strong as the spirit of those supporting it.

Thank you for being a part of our community...*so no one faces cancer alone.*

“

I've been coming to CSC for the 16 years I've remained under treatment... always hoping to hear you're cured. The community has allowed me to share feelings & fears with dignity. I'm encouraged by my Cancer Community of friends.

**Bill W.**
