**COMMUNITY**  
GREATER CINCINNATI-  
NORTHERN KENTUCKY

# 2024 Impact Report

# Community Is Stronger Than Cancer.

## Dear Friends,

Founded on the principle that no one should face cancer alone, **Cancer Support Community Greater Cincinnati -Northern Kentucky** offers a wide range of free services, from support groups and educational workshops to wellness programs and social activities.

**We're not just an organization; we're a community that understands the journey.** What sets us apart is our commitment to treating the patient and survivor, along with their entire support network. Our free evidence-based programs are designed to improve quality of life for all, reduce stress, anxiety & depression, and empower individuals through and beyond a cancer journey.

Our impact speaks volumes. **This past year alone, we served over 6,000 individuals and families, providing more than 12,000 hours of support.** But numbers only tell part of the story. It's the smiles, the renewed hope, and the sense of belonging that truly define our work. Thank you for being a part of it.

Susie Forest-Kamphaus  
CSC Board of Trustees President
