

# 20 **IMPACT** 25 **REPORT**

COMMUNITY IS STRONGER  
THAN CANCER.

*CSC is truly a community of survivors, patients, professionals, and volunteers all gathered regularly for the support, strength, and betterment of those touched by cancer. -Vicki E.*

## Dear Friends,

In 2025, Cancer Support Community walked alongside thousands of local individuals and families - people with cancer, their loved ones, caregivers, and the bereaved - as they faced the emotional, social, and practical challenges that follow of a cancer journey.

Every support group, healthy lifestyle class, navigation conversation, social activity, family program, and resource shared reflected a simple promise: you do not have to do this alone.

This report highlights the impact of that promise - more families served, more diverse participants welcomed, and more meaningful connections built across our region. None of it would be possible without people like you.

If you are moved by what you see in this report, I invite you to deepen your connection to this mission: by making a gift, volunteering, joining a program or event, or supporting our work through shopping and donating at Legacies Upscale Resale Shop. However you choose to get involved, you help prove that Community Is Stronger than Cancer.

With gratitude,

*Kelly Schoen, Executive Director  
Cancer Support Community  
Serving Greater Cincinnati, Northern Kentucky & Southeastern Indiana*

### OUR MISSION

CSC uplifts and strengthens people impacted by cancer by providing support, fostering compassionate communities, and breaking down barriers to care.

### OUR VISION

Everyone, including patients, survivors, caregivers and bereaved who are impacted by cancer, receives the support they want and need throughout their experience.

**This report is presented in memory of:**

***Our Founder & former National Board President Harry Davidow and our former Executive Director Rick Bryan.***

*How your support powered free cancer support, education, and wellness programs.*

## Where Your Support Comes From

## Where Your Support Goes

## Your Support. Our Responsibility.

In 2025, **74% of every dollar invested in Cancer Support Community supported direct program delivery**, with the remaining funding essential administration and fueling fundraising to sustain and expand our mission.

Total annual operating revenue increased by nearly 30%, fueling even greater impact.

Contributions & net event revenue increased by 30% each, showcasing new community-driven support.

Foundation support grew by 88%, reflecting strong confidence in our evidence-based model.

Personnel costs remained essentially flat year over year, allowing new dollars to go directly into program delivery.

# 2025 HIGHLIGHTS

*Moments of generosity, partnership, and growth that made our impact stronger than cancer.*

## *Gathered Together. Stronger Than Cancer.*

In 2025, our annual Stronger Than Cancer Celebration was our biggest gathering yet, with **more people in the room than ever before and a record \$170,000 raised** to fuel our mission. The evening marked a powerful milestone as we celebrated 35 years of service to the tri-state community. We also honored the life and legacy of former executive director, board member, and dear friend Rick Bryan with the Stronger Than Cancer Award, recognizing his enduring impact on the community he helped build. Thank you to all those who supported and joined us for this event. **Save the Date: Thursday, October 1, 2026!**

## *One Store. Extraordinary Impact.*

Legacies Upscale Resale Store, located in Hyde Park, **generated an incredible \$214,000 in profits to be reinvested directly into our mission**, turning gently used treasures into free support for local families facing cancer.

Every item you buy, donate, or consign at Legacies helps fund support groups, education, navigation, and wellness programs at no cost to participants. When you choose Legacies, you're not just cleaning closets or finding a great deal - you're helping ensure that our community remains stronger than cancer.

## *New Neighbors. Same Mission.*

With support from our friends at the Dearborn Community Foundation, we expanded free cancer support services into Southeast Indiana, bringing care and community closer to home. In 2025, we welcomed more than 300 people to our first-ever Dearborn Fall Fest, a warm, family-friendly event that connected neighbors with resources, programs, and one another. **Save the Date: Friday, September 25, 2026!**
