

Community friends,

Each day, approximately 30 people in our Greater Cincinnati-Northern Kentucky community will hear the words, 'You have cancer'—and that's where our work begins. Founded on the principle that no one should face cancer alone, Cancer Support Community offers a wide range of free services, from support groups and educational workshops to wellness programs and social activities.

Last year alone, we served over 4,000 individuals and families, providing more than 12,000 hours of support. But numbers only tell part of the story. It's the smiles, the renewed hope, and the sense of belonging that truly define our work.

To help support our mission, we will be hosting multiple fundraising events through which all proceeds will directly serve local individuals and families affected by cancer.

Your donation of good or services for our raffles and auctions helps ensure that patients, survivors, and their loved ones, can continue to rely on the unwavering connection and support that CSC provides.

Please consider contributing items like rounds of golf, sporting or concert tickets, boutique or home items, restaurant or spa gift certificates, unique experiences, food and wine, or other goods or services.

Your support will be prominently acknowledged throughout our events (print & digital) and is tax-deductible (Tax ID# 31-1287785).

Your belief in our mission through a donation allows us to break down barriers to care, foster compassionate communities, and uplift those affected by cancer.

Warm Regards,

Gretchen Ramstetter
